“San Nicolas Main street Renovation To Start November ”

Yes you heard correct, finally our main street will get the attention it deserves, this will start November, and December will take a small break so the customers can easily access the stores then this renovation will continue.

This renovation will take an estimate of 2 years to be fully complete, and San Nicolas will have a main street to be proud of says the government

Another illegal pier demolished

A few episodes ago we brought to the attention illegal pier being build, finally the government are now taking action as these destroy our nature for their own pleasure. Mangle Halto seem to be the favorite place to keep building piers as there are places nicely hideaway to do so. Government found one and with the same speed demolished this to send a clear message.

San Nicolas Business Association re-elects board

With a unanimous show of hands the SNBA board was re-elected as they have shown the hard work and sacrifices to better the San Nicolas businesses, congratulation guys and keep up the good work.

SMAC Finally Gives Out Their Carnival #65 Prizes In San Nicolas

SMAC gave out their carnival #65 prizes in the Carnival Museum. 7 months after carnival, almost time for Carnival #66, but like they say "better late than never" Up to now no one knows who will be the next president of SMAC we might just find out 11-11 the official opening of Carnival #66. The organization promises that carnival 2020 will be one to remember.

San Nicolas We Culture

San Nicolas once a month event We Culture once again we shared information and had meaningful conversation remembering Sir Marcus Mosiah Garvey.

Meet San Nicolas Event Keeps Growing

Another cozy edition of Meet San Nicolas. In this case it was dedicated to Bonaire Day, which is today September 6, 2019. a growing amount of tourist keeps coming to be a part of this event

Heatwaves: elderly care

It's important to check:

Does the person receive at least 2 visits a day?

Is s/he lightly clothed?

Is s/he protected from the sun by curtains or blinds?

Do they eat enough?

Is the temperature in room below 25°C?

Does s/he have a telephone?

Is the refrigerator working?

Are important phone numbers listed by the phone?

Are drinks available?

Is s/he aware of prevention measures?

Elderly people living in isolation are especially at risk. If you know an elderly person who might be suffering from heatwaves, please visit them or give them a call.
